

Spare parts list

OZAT CFS-7 2G

Categories explanation*

Wear & Tear: Spare parts that should be replaced periodically on maintenance and service; listed with recommended replacement frequencies in month.

Strategic: Recommended spare parts on site for clients needing high availability all the time, facing no delays due to transportation or customs.

Optional: Spare parts that should not break, listed for completeness.

Please note: In case maintenance and service is not fulfilled according to manual's instructions, warranty claims can not be accepted. Our spare parts deliveries are usually delivered with DHL express.

Parts orders or further information requests to be addressed to our customer care team: info@curio.group
